Subject: Davis refinery call availability

Hi Gail, here's all the availability info I've gathered:

Craig and his staff at ND DAQ:

Monday: All day
Tuesday: All day except for 9:00-10:00 am
Wednesday: Available in the PM
Thursday: Available in the AM except for 9:30-11:00 am
Not available Thursday PM
Friday: All day

Don Shepherd at NPS:

Tuesday through Thursday except Tuesday afternoon

Kirsten King at NPS:

Tuesday - anytime, Wednesday except 9-10 and 1-2 mountain, and Thursday - anytime.

DJ:

Wednesday or Thursday

Gail T:

Wednesday 8:30 or 3pm

Thursday 9am, 11am, or 3pm

Rebecca:

Thursday morning or Wednesday

So given all that info I think best times would be **Wednesday at 3pm** or **Thursday at 8:30**
